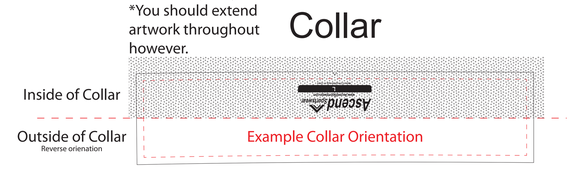
Ascend Sportswear™

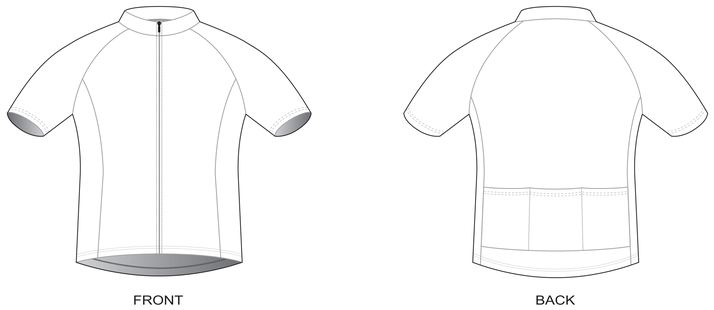
Custom Performance Gear

www.AscendSportswear.com

Artwork outside of this area is lost to sewing and cutting

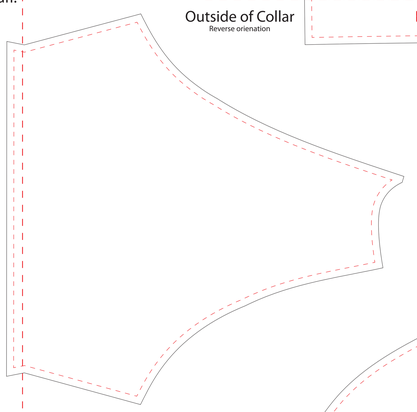
Shaded area will not be seed on the outside of the jersey. *You should extend artwork throughout however.



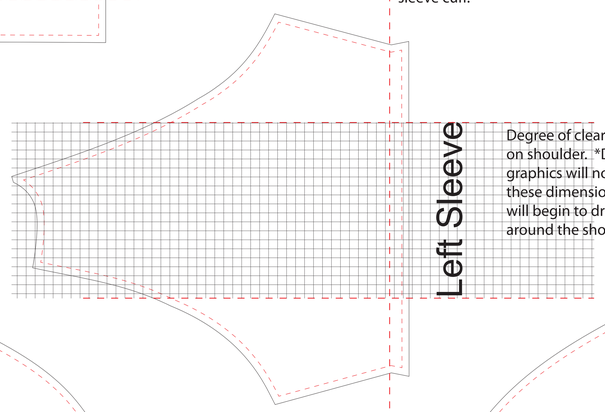


Finished Product

Art to the right of this line is lost to folded in sleeve cuff.

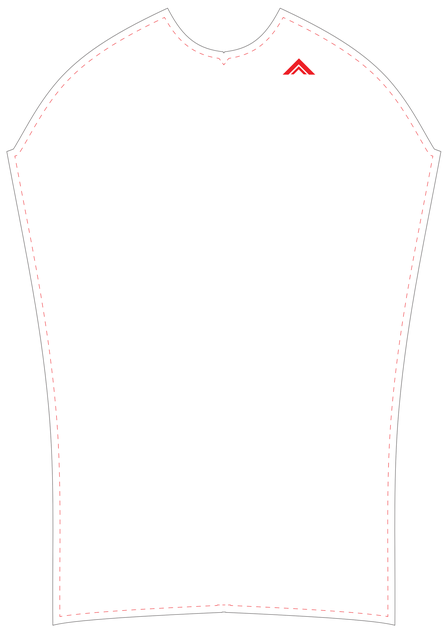


Art to the right of this line is lost to folded in sleeve cuff.



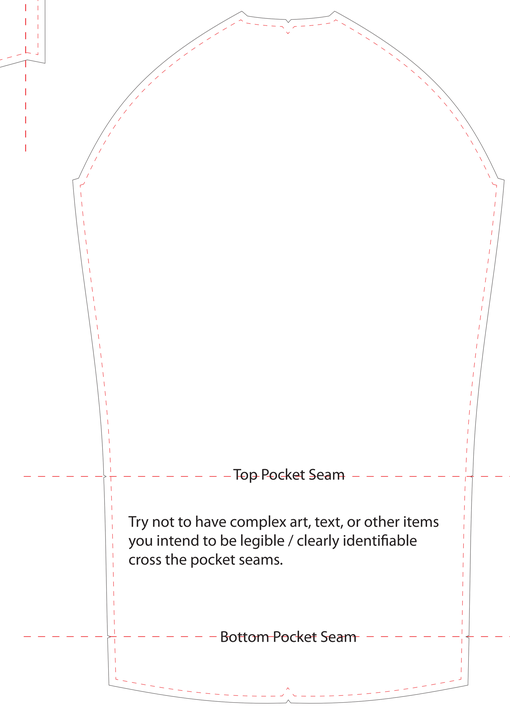
Degree of clear Logo visibility on shoulder. *Does not mean graphics will not show beyond these dimensions, but the logo will begin to drastically wrap around the shoulders.

Right Side Panel



Front

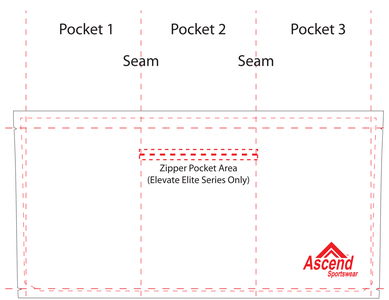
Left Side Panel



Try not to have complex art, text, or other items you intend to be legible / clearly identifiable cross the pocket seams.

Back

Smaller logos should not cross pocket seam lines as show here. Large single logos can cross the seams.



Art above this line is lost to folded pocket seams

Art below this line is lost to folded pocket seams
